Lifetime Achievement Award goes to Jane & Horst Paetzold

Louise Davis presented the award to Jane and Horst, sometimes having to ask Jane to be quiet. Jane was almost in tears; it was such a big surprise to her.

Below is a recap of the nomination letter that went to the Board. Unfortunately, the people who nominated them were unable to attend this convention.

I'd like to recommend the team of Jane and Horst Paetzold for the LAA for 2025. Together they epitomize what collecting shakers, championing the Club, and interacting with fellow collectors is all about. Jane's massive enthusiasm for all things shakers is tempered by Horst's efficient management of events.

Jane joined the Club in 1994 when she found a card from the Club at an antique store. Horst joined the Club in 2001, in time for their first convention in Ohio.

Collecting shakers has been a passion for Jane for nearly 50 years, with Horst contributing his cabinet building skills to house an ever-growing collection. Jane and Horst were introduced to the earlier Canadian chapter of QuebOnt, in the early 1990's, when collectors from both Ontario and Quebec met three times a year. However, with the retirement of the President from Quebec, the Quebec members decamped, resulting in a new chapter exclusively for Ontario: Shakers, Eh? Initially, Horst held several roles: President, Treasurer, and Editor of the fantastic chapter newsletter that comes out three times a year. He still has the role of Vice President and Editor. Jane took over the role of President and has held that position for many years, adding her flavour and flourish to the always lively chapter meetings. Jane and Horst generally host every second chapter meeting. Whether the meeting is at her house or not, Jane supplies at least one, often two games. She also provides raffle prizes, and she often gives a small presentation.

Together Jane and Horst produce the chapter newsletter, perhaps the most important tool for spreading the enjoyment of collecting; typically, each issue is 20-30 pages long. Many of the articles, mostly written by Jane and Horst, are reproduced in the national club's newsletter.

Jane and Horst belong to several other chapters and attend meetings whenever they can, travelling long distances in order to enjoy the company of shaker friends more than once a year at convention.

Jane and Horst have attended every convention since 2001, gradually taking on more roles as volunteers. Horst worked the auctions as a runner, then took over the job of Photographer. Jane loves to help with the auction shakers coming in. She always brings toys and treats for the junior members and loves meeting first time attendees. Together Jane and Horst made many large displays and won prizes for their efforts. Horst was a speaker for two conventions, talking about Disney shakers and then Comic ones. Jane keeps detailed notes during convention (including a list of auction entries and their selling price) and writes a comprehensive article for the chapter's fall newsletter. Horst adds his pictures of displays, costumes, the convention set, and general convention highlights. This issue of the newsletter is usually over 30 pages. Folks who were unable to attend convention can experience it all through the newsletter. In the past few years, Jane's convention articles have also been published in the national newsletter, as have Horst's articles "Horst and Jane's Finds," which describe successful shaker hunts and always provide wonderful photos.

Where Horst is always concise, Jane's articles provide colour and liveliness.

In 2021, Horst decided to take the next step in support of the national club and took the BOD position of Vice President. At the time, in preparing for the 2023 New Jersey Convention, his focus was to ensure successful replacement of the convention Chairs. 2023 saw Horst become the President of the Club. Looking for future conventions led him to become Chair for the 2026 Convention with the Ontario and Michigan chapters supporting this endeavour. Recognizing the difficulty in getting chapters to sponsor conventions, Horst introduced a modified process for developing conventions, a process that divides the work into four major elements. This process will be used for 2028 and 2029 conventions if no chapters come forward.

Getting new members into the Club has been one of Horst's goals as president. Advertising on Google, Facebook, and Instagram is now being pursued to reach as many collectors as possible on the web.

With all their passion, joy, and commitment to collecting shakers and progressing the Club, Jane and Horst Paetzold would be ideal recipients of the Lifetime Achievement Award.

President, Horst Paetzold

All year I look forward to Convention, then in a short time it is finished. The Convention at Minneapolis was great and we had nearly 150 attend. The weather was good and hot. I loved the bus trip around the two cities - there is certainly much to see in the area.

Jim Oswald and all the people who helped at Convention did a fantastic job. There is always so much imagination for both the costume contest and the display contests. All the auctions ran very smoothly, and the change in allowing payout after the Saturday afternoon auction did shorten appreciably the final line up for payment

at the end of the last auctions. We tested the use of a spreadsheet to record all the auction results in parallel with the traditional manual recording method. Now we need to implement this process in next year's Convention.

I know Jane and I had a great time at Convention as I hope all who attended did. As Chairman for next year's Convention, hosted by the Michigan and Ontario Chapters, I am looking forward to seeing you in Troy, Michigan from July 16 to 19, 2026.

Horst

Vice President, Bonnie Clark

Another convention is in the books, time to unpack the treasures found in sellers rooms or won in the auctions (and find space for them).

I was fortunate this year to win 2 sets I have been looking for over many years!

I am always amazed (and a bit jealous) of the creativity of our membership. Every year the convention committee designs wonderful activities, games, room contests and decorations.

The display, theme and costume contest highlight our member's vision and creativity.

As always, those members lost over the last year are never far from our hearts and minds.

Don't forget to visit the club website (www.saltandpepperclub.com), Facebook (Novelty Salt and Pepper Shakers Club Members' Forum), and Instagram (nspclub).

If you have any questions or suggestions please feel free to contact me.

Secretary, Angelle Arata

Hi everyone! We had a fabulous 2025 convention and I'm super excited to be submitting my first official report as your new Board Secretary. First, allow me to thank all of you who planned AND attended this wonderful convention. I thoroughly enjoyed my time in Minnesota, both at Convention and rambling around this beautiful state.

We held a General Business meeting on 7.19.25 with the Board of Directors and all members attending the Convention. Here are the highlights of that meeting:

The upcoming Conventions are as follows: 2026 in Troy, Michigan hosted by the Ontario and Michigan Chapters; 2027 in Spartanburg, SC; 2028 in Oregon; and 2029 potentially in Tennessee. We will be utilizing our new Convention Committee process in 2028 to help plan these events. Please consider lending a hand to any of the future conventions—our continued success depends on you!!

2025 was a Board election year. Here are your new and continuing Board members:

Board Members continuing in their positions: Horst Paetzold (President), Ken Parisot (Newsletter Editor) and Barry Yedlin (Treasurer). New Board Members: Bonnie Clark (Vice President), Angelle Arata (Secretary) and Alicia Lloyd (Membership Coordinator).

Treasurer's Report (Barry Yedlin):

Barry provided a copy of the Club financial statement (October 1, 2024-June 30, 2025). See Barry's full report. Notable mentions: Our Club just opened a new CD for \$20K, the 2024 Convention made \$11,700, an anonymous member donated \$1000 to the Junior Member fund and the Single Mingle made \$507. WOW!

Membership Coordinator (Pat Yedlin):

As of July 16, 2025, Pat reports 631 total members (515 primary, 116 associate), plus 29 Junior members. If you have had issues renewing your dues on the Club website, please contact the Membership Coordinator directly at snp.membership@gmail.com and a direct PayPal invoice will be sent. We are working on fixing this issue.

Pat also had the honor of announcing the winners of our **New Member Referral Contest:**

2nd place with 2 new members: Mashay Wood

1st place with 13 new members: Debbie Lugo. Debbie will receive a free 1 year membership to the Club.

The 2026 contest starts NOW! You can hand out club cards and/or utilize the "refer a friend" button on the website. Contact Alicia for cards at snp.membership@gmail.com

Newsletter Editor and Public Relations Coordinator:

Please consider sending in content for future newsletters. We know you guys have fabulous collections and special interests to share! Also please visit and interact with our Club's Instagram page @nspclub. All activity on the page helps to boost our visibility on social media and attract new members!

Finally, a couple of announcements:

After many years of service, Veronique Verbist is stepping down as Junior Newsletter Editor after the March 2026 newsletter and Anna Newmyer will then take over this role. Heartfelt thanks to both Veronique and Anna!!

Auction improvements: We tested a new digital spreadsheet process this year to record bids/sales/checkout for the auctions with promising results! Also new this year: Saturday afternoon checkout if you are done bidding.

Thanks to everyone for rocking this Convention and I'm already looking forward to seeing you all again in 2026!!

Deb and I got home safely and without any delays. The temperature is around 109, and dry heat does not make any difference, hot is hot!

Convention 2025 Minnesota Shaker Spooktacular was spectacular to say the least. The convention committee surprised us, pleased us and overall, we had a great time. Bus tour of the twin cities, business meetings, raffles, auctions, theme and display contests, Junior members party, costume contest at last dinner, first timer's reception, finding your missing singles, lifetime achievement award, convention shaker unveiling, speakers on different topics and the closing dinner party was fun for all. Jane wrote a detailed description of the event and made you believe you were there. She is a great storyteller. I have tried to include as many pictures and articles as possible.

The volunteers from all the chapters were perfect. Alan is a great auctioneer and dressed for success.

It is always such a pleasure to see our shaker friends from all over the world. The room sales were incredible; I found way too many according to Deb.

A big **shoutout** to the chapters for their minutes, events, and news. The club members enjoy learning what other chapters are sharing among their members. **Heartland Chapter Garden State Chapter**

I hope all of you will continue to see news to me as well as articles that you find about shakers.

Hope you enjoy this edition. Ken

I officially assumed the position of Membership Coordinator at the 40th annual Novelty Salt and Pepper Shaker Convention that was held in Bloomington, Minnesota. It was another great convention, and all that attended seemed to really enjoy it. Pat Yedlin, who was acting as the Temporary Membership Coordinator, did a great job training me to take this position. I appreciate all of her help and patience. As of August 7, 2025, we have 624 members listed on the roster. Of those, 510 are Primary members and 114 are Associate members. I look forward to serving as the Membership Coordinator.

Convention 2025

Webmaster Report, Josh Weaver

It looks like the convention was a great success. It was strange missing all the excitement this year. Next year's convention logo and preliminary information was put on the website immediately after its announcement. Although with that change the website has had two new featured articles published this quarter on Limoges and Quimper pottery. You can check the new articles out and the other backlog of 44 featured articles straight from your Dashboard on the club's website once you have logged in. Here is a sneak peak.

Limoges

Limoges, France is about 200 miles south of Paris and has been known for its porcelain products for over 250 years. The surrounding region, called Limousine, was discovered to have the correct materials in its earth to create the hard paste porcelain.

Limoges porcelain was at its pinnacle in the late 19th century and early 20th century, with the mass production of table ware for the American export market. Art objects, including figural salt and pepper shakers, were also created albeit in a much smaller quantity in both the pre-WWII and increasingly in the post-WWII era.

Quimper

Kempar was the original name of the small village that was established by the Celts in the 5th century near the southern coast of Brittany. The village was named "Kemper" (which means "confluence"), because two rivers - the Steir River and Odet River - come together here. These rivers played an important economic role in the production and export of goods. Now the much larger city of Quimper (pronounced "cam-pair" or "kem"- "pair") and the people of Brittany are proud of their Celtic heritage and have been known for their production of faience with "petit Breton" decor for over three hundred years.

Quimper pottery started in 1690 by Jean-Baptiste Bousquet when he built his first kilns in the Locmaria area of the city of Quimper. His sons, Charles and son-in-law Pierre Caussy, continued the family legacy through the 18th century. Bousquet's faïencerie was later called Grande Maison. Later, Caussy's son-in-law called Antoine de la Hubeaudiere succeeded and directed the faïencerie until 1915. He registered their first mark, "HB" in 1882 and the Grande Maison HB company was born. The "HB" representing the first letter of the last names of Hubeaudiere (H) and Bousquet (B). In 1904 their second registered mark became "HB Quimper".

In the late 18th century, two other Quimper companies were created. The first was created in the 1770s by a former employee of Grande Maison called Francois Eloury. After being run throughout the 1800s by a series of family members (i.e. Charles Porquier, Auguste Porquier, etc.) and the addition of noted artist Alfred Beau in 1872, the company became Porquier-Beau with the trademark "PB". The second was created in 1778 by Guillaume Dumaine. Dumaine's faïencerie was managed by succeeding generations until Jules Henriot assumed the management of the family business that eventually bore his name, Henriot Quimper. The first marked became "HR" - the "H" for Henriot and the "R" for his wife's maiden name. In 1913, Henriot purchased the remnants of the Porquier factory that had previously shuttered.

Finally in 1968, HF and HB Quimper merged forming Faïencerie de Quimper. In 1983 it failed, but soon was reopened in 1984 by American importers Paul and Sarah Janssens. In 2003, Pierre Chiron reclaimed French ownership in the company, but the company faltered and in 2011 was purchased by Jean Piere Le Goff who changed the name to Henriot Quimper.

New Member Referral Contest—submitted by Pat Yedlin

New Member Referral Contest

The New Member Referral Contest is an easy contest that runs from July 1st to June 30th of the following year. Simply refer someone to join the club and ask them to mention your name when they complete their Membership Application. The two members with the most referrals each win a free, one-year membership. It's that simple!

This year, Debbie Lugo (with 13 referrals) and Mashay Wood (with 2 referrals) were the winners of a free, one-year membership.

Honorable mentions go to the following for each referring one new member: Amada Wright, Diana Hurt, Donna Luger, Harold Knust, Jean Rowe, Jim & Marcia Oswald, Lauren Cannette, Michelle Niemczyk, Noreen Neary, Sally Siebert, Sherrice Romero, and Wendy Clifford.

Will you be a winner next year? To help you, the club has small, business card-sized referral cards you can hand out or include in your shaker sales boxes. Just ask Alicia Lloyd, your Membership Coordinator, to send you some.

Her email is snp.membership@gmail.com.

Thanks,

Pat Yedlin

Wanted: Club Member Shaker Stories

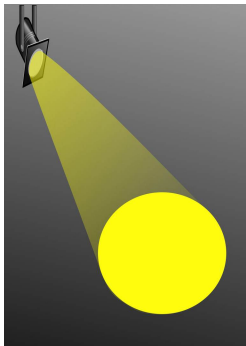

Every member has their shaker story. Get to know some of our members by reading their stories at the website www.saltandpepperclub.com. Or copy their link and paste it in your browser to go directly to their story. All stories are important and help to create the historical fabric of the Club. Altogether the accounts form our Salt & Pepper Shaker Legacy gallery.

Looking for members to be featured in the "Member Spotlight" article series. The articles appear on our website and in our newsletter. It doesn't matter if you're a first or long time collector. You will need to answer some questions related to your shaker collection and share photos to support your shaker story. Photo examples may include how you display your shakers, your favorite set, your first set, your ugliest set, etc. Cell phone photos are fine. Since it's your story, you will be provided a draft to correct/change/upgrade before you approve it for publication.

If you would like to share your shaker story, or you would like to nominate someone else, please contact me.

2025 Convention in Minneapolis through Jane's Eyes

This was the 40th Annual Convention for the Novelty Salt and Pepper Club, hosted by the Minnesota Chapter - with the theme of Minnesota Shaker Spooktacular, from July 17 to the 19th, 2025. We stayed at the Hilton Minneapolis – St. Paul Airport Hotel.

Have you ever stayed at a hotel that does not have an ice machine on every other floor? Well, the Hilton in Minneapolis did not. You had to get a bag of ice at the front desk if there was any left. If not, you went out and got one at the Walmart just down the street. It was inconvenient every day. The hotel rooms were big enough and good to set up and sell from.

The hotel had all the space for raffles and meetings and dinners in. The raffle room was hopping this year; the club sold 5000 tickets. The prizes were great, and everyone bought lots of tickets, stuffing all the boxes. I managed to win the two prizes I wanted - an Allyson Nagel set of Jack-o-lanterns and a tray of Halloween shakers I didn't have.

This set is the Allyson Nagel set Jane won in the raffle.

Gary Seymour made a special one-of-a-kind shaker to commemorate the Convention. It was placed in the raffle, and I am sure it had the most raffle tickets in it. The picture of the shaker is below. Karen Weaver won this raffle prize, and she said that she had placed a huge number of tickets in the box, in hope of winning it. Thanks, Gary, for your help, and congrats to Karen for winning it.

There was a little contest on guessing how many eyeballs were in a container. I guessed 50 but there were over 100 – I did not win.

The winner of the number one Convention shaker set was Dennis Heitz, Dennis drew his own name, lucky guy. He decided to not put it into the final auction on Saturday night.

The goody bags were full of neat little surprises. One was a little spider made up of beads by Julie Schmude. If you found a black spider, you won a prize - I never heard who won that. I know a lot who didn't win.

On the Wednesday, Jim had arranged for a bus trip through St. Paul's and Minneapolis. We had a great tour guide that was extremely knowledgeable and friendly. It was great way to be introduced to the two cities. The highlight of the trip was the falls we stopped at near the end of the tour. It was amazing how many huge mansions there are in these two cities.

2025 Convention in Minneapolis through Jane's Eyes

Jim and Marcia along with their committees created many decorations for the Convention for the Spooktacular event. Following are just a few of the decorations they had created for this event.

**The balloon decorations were created by Julie Schmude's daughter.
These giants were a photo set for the guests.**

Then there were necklaces sent by Sandy Srp. A nice surprise.

The dinner on Friday was a disappointment, the buns were so hard, you could knock a person off their chair with them. But Saturday night's dinner was much improved; Jim had a talk with the manager. No complaints. There was lots to eat. The bar served the worst Ginger Ale in the world for five dollars. I was glad I brought my own Canada Dry.

2025 Convention in Minneapolis through Jane's Eyes

The auctions all had huge prices on the bids. I was outbid on all the sets I wanted from the first bid. I didn't think a lot of them were worth the prices they went for. Below are the results of the auctions.

2025 Convention in Minneapolis through Jane's Eyes

The sellers had a good range of prices in their rooms. There were shakers sold from three large collections at Convention. The McHughes Goebel collection was on sale in Karen Weaver's room. I bought the butcher condiment and the chef condiment plus some people sets from Karen.

Marilyn DiPrima had great sets. I bought a condiment of little Bo Peep or is it Mary had a little lamb? I also got the cutes girl sitting with ringlets and a daisy hat Made in Germany, and a pair of Gnomes made in Germany.

The two sets on the ends are from Marilyn.

The fisherman in the middle was this year's set from European Chapter

Betty Hunter was selling Ruthie's collection. I asked why some of a series were different prices, Betty said her son priced some and she did others. Oh well I needed the higher one. My luck. But I got good prices on all of the people sets I bought in Betty's room.

The two sets on the right were from Betty's room.

Horst picked up this set in Betty's room. I did not see it. For years we had a single of the right one. Now we have both shakers.

Dennis Heintz was selling Deloris's collection. I didn't get to Dennis's room till late into the Convention so there was not a lot I needed here.

Dennis told me Deloris had told her children to ask if Dennis wanted to buy her collection. I thought there would have been a lot of Blue Sky in the collection (perhaps it was all sold earlier).

I got into a few other rooms, but I was worn out. There were too many floors to get around to. Also, when I was going around, a lot of the people were not in their rooms. I seemed to have spent a lot for the rooms I did get to. I bought a lot of expensive sets and good quality ones. They add a lot to my collection. I am glad I got to convention this year, it was touch and go this year with my health and the migraines Horst suffered just a week before Convention.

2025 Convention in Minneapolis through Jane's Eyes

Following are some of the shakers Jane got at Convention.

The last set of shakers that Jane got are pictured below. We met the person who designed this set. He was retired and wanted to do something. He first crafted a prototype of the set. Then he arranged to have a run of these shakers made in China (round 1400). He decided to try to sell the shaker at our Convention – he joined the Club and registered for the Convention. It shows California with the San Andreas fault, and what would happen if it broke off from California. He is trying to sell the shakers to the California Tourist Bureau.

Who won the lifetime achievement award this year? No need to guess. It was Horst and Jane in 2025. It was a huge honour for both of us. I was surprised. Horst, I could see for all the work he does every day on something for the club. Endless phone calls and e-mails. Louise Davis honored us by presenting the award - she said shut up Jane and just say Thank you all. A good wife stands behind a great guy. Horst deserved it.

There were about 8 tables similar to the one below with singles for one dollar each.

The single mingle was a success again this year. It made about 500 dollars this year. After the singles were sold on Friday evening, it was announced you could take ones for free the next day. By the end of Saturday, all the singles were nearly gone.

Horst looked through all the singles and found a few he wanted. However, he did find a set of small shakers like bullets from the New York World's Fair, 1936 which I added to my collection.

2025 Convention in Minneapolis through Jane's Eyes

The costume contest is my favorite event to attend. Sally Sebert had been chairing this event for years. Karen Framnes is training to take over, and during this Convention, she chaired the event under the watchful eyes of Sally. Thanks to Sally for all her help, and thanks to Karen for taking on this task.

This year there were great costumes. The club members are very talented, with so many new ideas and members joining the fun. Pictures and the results of the voting are shown below.

Convention Contests

Following are the results of the contests for the Convention. These were all a lot of fun, and there was a lot of effort and work put into each of the contests by the participants – good work for all of you!

2025 Convention in Minneapolis through Jane's Eyes

There was a new event for Convention following the Saturday evening dinner – it was a costume ball.

Members were encouraged to dress up in costumes for the dinner, and after dinner there was a parade of the contestants. Three judges decided the best three costumes, and they were awarded a surprise shaker.

The passing of the shaker was done near the end of Convention, Jim passed the shakers to Horst while people were paying for the auction wins.. Here are the shakers that symbolized our hobby and Convention.

Junior Members Party Harty submitted by Christy & Véronique

The Junior Member party was a blast! After designing their own convention themed T-shirts and a competitive round of shaker bingo, the juniors took off in a spirited scavenger hunt. Tasked with finding and photographing certain shakers, the quest led them throughout the hotel and into many of the attendee rooms where they also Trick-or-Treated for candy. Finishing with pizza and cupcakes, the Junior Member party was one for the books!

Special thanks to Marilyn Indahl, Mary Faith Ferretto, Veronique Verbist, Michelle Wentzel, and Rachel Maddox for helping make the Junior Members' party a memorable one!

Chapter Meetings and News

Minutes of the Garden State Chapter Spring Fling

The Garden State Chapter's annual Spring Fling was held on Saturday, June 7, 2025 as a zoom meeting. It felt like old friends getting together, talking and sharing info on shakers and other things. We had members from across the pond in the United Kingdom and Belgium and also members from as far as Michigan and Illinois.

Rosalie Friedberg headed the zoom meeting.

We voted to waive a reading of the Minutes from our Halloween Bash zoom meeting held on October 19, 2024.

Gary Seymour said he would love to have a meeting in Manhattan in the Fall and Veronique Verbist also expressed her interest in coming for a fall meeting. Rosalie and Linda Rice said they would organize a Manhattan meeting if the interest continues. After the meeting, Gary said that he would not be able to come in the Fall but would like a

meeting in April or May, and Veronique said she would like to come when they come. If Gary and Veronique want to schedule a meeting next spring, we will be happy to plan a meeting in Manhattan.

We unveiled the new Chapter set made by Gary Seymour called Let's Dance. It received a great reception and everyone was happy to see it. We have a few of the Let's Dance sets for sale. If anyone is interested in purchasing the set, please contact Rosalie at redoscar131313@aol.com if you would like to buy a set. It is a limited edition of 30 sets which includes a gold no.1 set. Photos are attached.

Linda provided the Treasurer's Report.

Rosalie asked that the Chapter donate \$100 to the raffle for the coming Club convention to be held in Minneapolis, MN Ohio in July and the motion passed unanimously. Jean Rowe suggested we contribute to the Goody Bag and a motion to purchase snacks for the Convention Goody Bag passed unanimously. One hundred seventy-four snack bags were sent to Julie Schmude to be included in the Goody Bags. Julie made the cutest labels for the snack bags. Thank you, Julie!

The Chapter decided not to enter a tray lot into the convention this year.

We discussed various other matters of interest.

We then went on to our activity of a show and tell of shakers we have bought. We saw the new Warp Star set with Kirby and the shooting star. It is an adorable set and can be purchased online at Target.

We discussed and looked at minis and lots of one piece shakers.

No one brought sets for the auction so there was no auction.

We all had a great time and it was a fun zoom meeting.

HEARTLAND CHAPTER MEETING MINUTES

The May 31, 2025, meeting was hosted by Betty Hunter in Warrensburg, MO. Friday night supper was at Colton's Steak House and Grill. They were very accommodating, and we got to meet one of Betty's grandsons. He was working that night. Afterwards we were invited back to Steve Hunter's to the shaker shop, meeting the other grandchildren and enjoying visiting. Betty opened her home to let us view her lovely collection. It was a nice evening!

On Saturday, twenty-one of us met for the meeting. The theme was Man's Best Friend. There were several great entries. The winner was Linda Day and a close second by Karen Weaver. Karen got an "Atta Boy." The first game was Bingo with a theme of dogs. The first round was won by Steve Meyer who smartly let Maureen choose the prize. The second round was won by Eleasa Serotte. Then we were quizzed on hot dog trivia. Lunch was old fashioned box lunches from Hy-Vee.

And then we got down to business. President Maureen called the meeting to order. Kimberley handed out the March meeting minutes. Mike Simmons motioned to accept the minutes, and Marica Oswald seconded.

Debbie Barger passed out the Treasurer's report. Mike Simmons motioned to accept, and Dennis Heintz seconded.

Julie Schmude is requesting news and ideas for the newsletter.

The next meeting will be held August 16 in Oshkosh, WI hosted by Julie Schmude and Barb Langkau. The theme is Tailgating. There will be two themed contests! Be sure to RSVP to Julie by August 3.

We talked about the Convention in July. It sounds like the Minnesota Chapter has gone to a lot of work and we are all in for a fun time! Did you get your reservations in?

Dennis Heintz motioned to adjourn. Jim Oswald seconded.

Some ventured out to the local antique shops. Warrensburg has a quaint old downtown. And of course, a visit to the Old Drum statue on the Courthouse lawn.

Supper was held at Players.

The 2025 meetings will be:

August 16 in Oshkosh, WI, Julie Schmude & Barb Oct 11th in Olathe, KS, Joe Gaydos & Jim Dunk

There are a lot of people asking about the availability of owning a piece of some collections that are on the Market.

Betty and Steve Hunter are sharing Ruthie Denney's collection on the Bimonthly Auction, eBay at huntersresale, on Whatnot and will have them available at Convention.

Mr. Joe Gaydos is selling his collection at eBay under joeboys. He can also be reached by email for requests at gaydosprn@gmail.com Please use email versus phone calls.

Dennis and Kimberley Heintz are sharing Delores Burgess's collection on the Bimonthly Auction, eBay at dkhfarms and will have them available at Convention.

A lot of our Chapter friends are selling on various platforms. We love to support them all! I am in no way

excluding them. I am only offering the above information because of so many requests about the current three collections that have come on the Market. Some people are hoping to own a set for sentimental reasons because of the previous owner.

Heartland Chapter Meeting Minutes—3/22/2025

The March 2025 meeting was hosted by Debbie Barger, Kim Berley & Dennis Heintz at St. Patrick's church in Nevada, IA.

Friday night supper was at the historic Niland's Café. This is located at the junction of the Lincoln & Jefferson Highways. There is a restored 4-room motel, a gas station that is now a museum, and the diner. Afterwards we were invited to the Heintz farm to enjoy visiting.

On Saturday, 26 of us met for the meeting. The theme was Pirates. There were several great entries for the theme con test. The winner was Virginia with an entry made by Red Peppa Studio.

The first game was True or False facts about salt and pepper. The second game was "Who Said That." People had prefilled out answers to questions and the rest of us tried to figure out who said it. We learned that several people have had broken bones!

Lunch was maid rites.

And then we got down to business. President Maureen called the meeting to order and asked for a moment of remembrance for those who have gone before and those facing challenges now. Please know that you are in our hearts.

Kimberley handed out the October meeting minutes. Mike Simmons motioned to accept the minutes and Marcia Oswald seconded. The motion carried.

Debbie Barger passed out the Treasurer's report, John Ragan motioned to accept and Jim Oswald seconded. The motion carried.

Julie Schmude is requesting news and ideas for the newsletter.

The next meeting will be held May 31 in Warrensburg, MO.

Virginia talked to us about a gal who can make replacement spoons. Our Sympathy to Sheryl Johnson and Bonnie Dobbs Although belated, please accept the condolences of the Heartland Chapter to Sheryl Johnson whose father recently passed away, and to Bonnie Dobbs, who lost her husband. Our thoughts are with you and your families as you move forward after your loss. Friday Night Supper—May 2025 Meeting

Horst talked to us about the future of conventions. How the Board has been trying to come up with ideas on making it easier by having various theme committees to break down the responsibilities. They are seeking volunteers for 2028 and 2029.

The 2025 chapter meetings will be:

May 31 in Warrensburg, MO

August 16 in Oshkosh, WI (Julie Schmude)

October in Olathe, KS (Joe Gaydos and Jim Dunk)

Debbie Barger motion to adjourn. The motion was seconded by Mike Simmons. The motion carried.

Some of us went on to Antiques Iowa in Story City to shop. Then we met back at the Heintz farm for Debbie's infamous dips and Dennis' grilled brat burgers. It was great to see everyone after the winter break.

Respectfully submitted, Kimberley Heintz, Secretary

Theme Contest Winners from March 2025 First place, Virginia Volkman and second place, Julie Schmude. The theme was "Pirates."

ADVERTISING CHECKLIST

When placing an ad in the newsletter, please use this checklist to save time and avoid confusion.

- Separate your Have Sets, Have Singles, Want Sets, Want Singles, Collections and Lists and clearly identified under what heading your items should be placed?
 - Typed or printed your ad legibly?
Included NAME and ADDRESS on your ad for the editor's reference?
 - Counted the number of items to verify that you have not exceeded the 20 item limit?
- They may be divided any way between the four categories but only 20 items will be allowed per member, 10 items per associate member. An item is equal to one set, one single, or one collecting interest. The editor will NOT notify members when they have exceeded the limit, but will select the first 20 items as they appear on the received ad. All ads are subject to editing. For example, remarks such as "cute set" or "rare" will not be included. Pictures of singles or sets you want to sell or buy cannot be included in the free ads. If you want to run a picture, you must use the Paid Ad Schedule.

Paid Ads
